re: letter of reference for Ahrum Han

To whom it may concern

Ahrum Han had the position of intern at our institution, Eh Plus English Education from December 2013 to May 2014.

During this time, she was responsible for managing classes, secretarial duties, light office work and overseeing the office when the other staff members were out.

Ms. Han was able to work independently and without any supervision. Her demeanour was both easygoing and professional, and she excelled at utilizing the Mac OS X operating system to organize our office.

Furthermore, her English skills were at an advanced level, and she was able to communicate effectively with staff, students, and native English speakers. Ms. Han helped us immensely with implementation of our new websites and other highly technical systems, and she was a tremendous asset to the company at that time.

If I had the opportunity in the future, I would not hesitate to give her a permanent position in this institution.

If you have any questions, or would like to contact me to discuss Ms. Han's qualifications further, please phone me at 604-568-7571 or email me at mike@eh-plus.com.

Sincerely yours,
